

## featuring... **CATHOLICS RETURNING HOME**

- Were you raised Catholic but do not come or seldom come to Church?
- Are you a Catholic who feels separated from the church?
- Are you uncertain whether you are or really should be Catholic and wonder what that might mean?
- Do you know someone else you care about that falls into one of these categories?

### **An Invitation for Non-Practicing Catholics**

No matter how long you have been away and no matter what reason, this is an invitation to renew or perhaps refresh your relationship with the Catholic Church. Please join us or invite someone else you know who has been away to these very informal sessions. Hosted by others who have experienced separation themselves, these sessions will include videos and discussions of other folks who's life journey took them away, then pulled them back to the Catholic Church and why.

Other important topics include explanations of the faith especially in regards to the ongoing changes since Vatican II.

Starting: Sunday January 4th

Time: 6:30 to 8:00 PM

Where: Religious Education Building (behind St. Peter Church)

Number of Sessions: 6

(schedule will be confirmed soon—we usually do not meet on Super Bowl Sunday!)

**Any Questions? Please call the Rectory: 847. 395. 0274**

### **What does it Mean to be Catholic?**

Vatican II has changed our Catholic Church forever. Some of the intentions of Vatican II have yet to be realized. Some of the intentions of Vatican II were taken out of context, and have resulted in some confusion of what it means to be Catholic. Pope John Paul II has called all Catholics to be Evangelizers. How can we do this if we are uncertain about the teachings of the Church?

Here are some ways you can learn more about your faith:
