"BLUE RIBBON SCHOOL SHOWCASE"

We will get through this together!

While we go through these uncertain times, please know that you can reach out to teachers and staff through email during the week. Please remember to check all your emails, the St. Bede School website and St. Bede School Facebook page for any updates on important school information.

Preschool through 4th grades are accessing their online learning lessons through their classroom web pages. Grades 5th through 8th are accessing their online learning assignments through the classroom.google.com school accounts.

St. Bede Facebook Page:

Evelyn & Agnes are having a lot of fun with eLearning. Evelyn is in 2nd grade and is working on her reading and mini Journal. Evelyn's sister, Agnes is in preschool and is enjoying working with her big sister!

St. Bede School families, please send your eLearning experience along with pictures to ksmott@stbedeschool.com. Your stories & pictures might possibly be included on the school Facebook page or in our church bulletin.

Thank you in advance!

Here are 3 topics you could help your child with that we've also been exploring at school:

Faith: Remember to make time for prayer with your child. There are many great websites available to help you with the Rosary prayer and the Stations of the Cross during this Lenten season.

Service: Have your child help around the house with different chores.

Character: Your child should know that with school comes the responsibility of finishing their online schoolwork. This way, they assume the responsibility of their own learning. Have them practice good character every day.
